About This Content

Some of the most famous and loved music of all time, you've heard before and now you can use them in your own game! For the first time ever on our store, Murray Atkinson brings us orchestral renditions of well-known classical masterpieces! Meticulously recorded note for note from the original full scores, this pack faithfully emulates the original symphonies to the highest degree!

Use this collection of well recorded and selected classical music such as "In The Hall of the Mountain King" when mapping a town, or marching off on a new adventure journey to the strains of "Bolero", or battle it out to a unique rock version of "Eine Kleine Nachtmusik" for your intense boss battle! Not your average dentist-lobby Mozart!

The possibilities are endless for how to use these brilliant compositions. Become a conductor and direct your RPG story using some of the most familiar masterpieces of all time!

* These songs are all in the public domain. These orchestrations are copyright Murray Atkinson and are licensed to be used for commercial or non-commercial game use.

Stay tuned for Vol 2 featuring 2D RPG-style versions of Classical Favorites!
